Re: Circus

Carson & Barnes Circus

On behalf of the Bloomer Community Club and the Community of Bloomer Wisconsin we would like to say Thank You to Carson & Barnes Circus for the GREAT job that they did in Bloomer on August 20, 2007.

Your Circus staff is a class act and one which we have enjoyed working with from start to finish. From the day the advance marketing folks can into Bloomer right up until the last truck left our lot your staff was outstanding.

The comments that we heard all night as people left the circus were nothing but positive. The excitement in the air all weekend prior to your arrival was unbelievable and rightly so as you show is "top notch."

Again, Thank You to you and all your staff from making Bloomer one of your stops and giving us the opportunity to work with a truly GREAT circus and we look forward to your return trip in a few years.

Please let us know as soon as you have a schedule for a return trip to our area.

Rod Turner,
Chairman of the Bloomer Community Club"
